

Privacy Policy

Effective Date: 02.04.2025

At **csquests.com**, we are committed to protecting your privacy. This Privacy Policy outlines how we collect, use, and protect your information when you use our web application.

1. What Information We Collect

- **Authentication Information:** When you sign up or log in using Firebase Authentication, we may collect personal identifiers such as your name, email address, or authentication token.
 - **Usage Data:** We may use **Google Analytics** to collect anonymous usage data, including pages visited, time spent on the site, device type, and general geographic location.
-

2. How We Use Your Information

Your data helps us:

- Securely authenticate users
- Improve site functionality and user experience
- Analyze usage trends to better serve our users

We do **not** sell or share your personal information with third parties.

3. Third-Party Services

Our app uses:

- **Firebase Authentication and Hosting** (provided by Google)
- **Google Analytics** (to monitor app usage)

These services may collect and store information in accordance with their own privacy policies.

4. Data Protection

We take appropriate security measures to safeguard your data, but no internet-based service can guarantee 100% security. We continuously monitor and update our security practices.

5. Your Consent

By using **csquests.com**, you consent to the terms of this Privacy Policy.

6. Changes to This Policy

This policy may be updated from time to time. Any changes will be posted on this page with an updated effective date.
